## Your Resume:

EDUCATION									
1991	1992	1993	1994	1995	1996	1997	1998	1999	2000

## Clarity Enhancements

## Impact Enhancements

## Impact Suggestions

Here's a detailed analysis of your resume with suggestions for strengthening the phrasing of your achievements and overall language. The goal is to replace weak or vague words with powerful, action-oriented language that conveys your impact and contributions more effectively.

**Current Version:** "A diversely experienced computer science major with extensive experience learning new subject matters and utilizing my cumulative knowledge to create novel ideas. Seeking a role where I can collaborate in an innovative, creative, and focused environment."

**Revised Version:** "Dynamic computer science major with a proven track record of rapidly mastering new concepts and leveraging comprehensive knowledge to develop innovative solutions. Eager to contribute to a collaborative, forward-thinking team environment."

## Piping Rock Club, Tennis Courts Supervisor

- **Current Version:**
  - "Managed cleanliness and conditions for a dozen tennis courts"
  - "Operated a utility vehicle on courts to perform maintenance"
  - "Coordinated and controlled court irrigation system"
  - "Communicated with court manager to meet peak efficiency of court downtime/utility"
- **Revised Version:**
  - "Oversaw the maintenance and pristine condition of 12 tennis courts, enhancing player experience and satisfaction."
  - "Executed maintenance operations using a utility vehicle, ensuring optimal court conditions."
  - "Streamlined irrigation system management, improving water efficiency and court readiness."
